## Endeavour Outbound Mobility Awards (Open to Australian citizens only)

ICHM has won special funding from the Australian Government under the Endeavour VET Outbound Mobility Program. This means that ICHM students looking to undertake language studies or an internship in an Endeavour-eligible country in the Asia Pacific and Middle East regions can apply for funding in 2009. While the application specifically lists the United Arab Emirates, China, Japan, Singapore, Hong Kong and Indonesia, the full list of eligible countries can be found under Program Guidelines at:

[http://www.endeavour.deewr.gov.au/outbound\\_mobility/endeavour\\_vet\\_outbound\\_mobility\\_program](http://www.endeavour.deewr.gov.au/outbound_mobility/endeavour_vet_outbound_mobility_program)

### Language Studies

Students undertaking language studies can apply to ICHM for up to \$5000 to put towards the cost of their study and living costs in either semester 1 or 2 of 2009 if they wish to do so in an Endeavour eligible country. Up to four (4) will be approved.  
(In total \$20,000 is available)

### Internships

Students undertaking an internship can apply to ICHM for up to \$2000 to put towards the cost of their travel and living costs while on internship. Up to ten (10) will be approved.  
(In total \$10,000 is available)

Both the language study and internship grants are available to students currently on placement and for those embarking on placement in Semester 2, 2009. While ICHM intends to apply for a continuation of this program in 2010 and beyond, there is no assurance that we will be successful.

Applicants for Semester 1 2009 should apply by April 15<sup>th</sup>. Applicants for Semester 2 should apply by April 30<sup>th</sup>. If there is undistributed funds, ICHM will allow students to apply through to July 1 2009.
