Step 3: Selection Process

Assessment Criteria

For short listing of applicants

School Report	25%
CV and References	25%
Short Answer Questions	50%

Up to 4 New Zealand finalists will be invited to an interview in Auckland and an economy airfare to a maximum cost of NZ\$500 per applicant. The balance will be paid by the applicant. ICHM is offering a number of scholarships in Australia. New Zealand applicants will only be considered for this scholarship if they obtain a "shortlist" score equal to or better than the 10th best applicant in Australia.

If selected for a finalist interview, students must immediately:

- Undergo the required medical examination using the form from the ICHM Application.

Winners will be selected by a panel considering the assessment criteria above and the "person/s most likely to excel at Hotel Management".

CONDITIONS OF ENTRY

Students who meet the scholarship eligibility criteria and ICHM entry requirements can apply for a scholarship. Students who have already applied and been accepted by ICHM for these intakes may also apply by completing the Scholarship Application form.

ICHM has two intakes in 2010. We reserve the right to request winners to commence in the July 2010 intake, unless the applicant has been accepted into the January intake by scholarship closing date.

The tuition fees for NZ students starting in 2009 are A\$21,300. The 2009 cost for Accommodation & Meals at ICHM is \$7,250, payable during on-campus semesters and subject to availability. These scholarships can be applied to the tuition fees only. 2010 fees will be set by mid 2009.

The A\$50 Scholarship Application Fee is non-refundable, this applies to successful and unsuccessful applicants. It is also not considered as part of the New Student Fee or Course Fees.

The scholarship amount will be credited against the final fee payment each year.

When a scholarship winner gains some subject exemptions in the programme at ICHM as a result of other studies and thereby has lower fees, the amount of the scholarship provided will be reduced by the same proportion as the fees have been reduced.

The Selection Panel may decide to increase the number of scholarship winners by reducing the scholarship amount.

Payment of the scholarship amount on behalf of the student for the 2nd, 3rd and 4th years of the course will be dependent upon satisfactory academic results and industry placement performance as determined by the ICHM Academic Board.

The awarding of the scholarship payment each year depends on the student paying the balance of the student fees by the due date as set out in the Application Form contained in the prospectus. Students failing to pay the balance of fees by the due date will forfeit the right to their scholarship.

The Scholarships are open to new first year students only. Students currently studying at ICHM are ineligible.

Scholarship students failing to comply with the ICHM rules and regulations in relation to personal and ethical behaviour will forfeit their entitlement to the scholarship.
