The International College of Hotel Management (ICHM) and Swiss Hotel Association (SHA) Degrees are based on the philosophy that a commitment to excellence, and the finest education and training are essential for those people seeking the most sought after positions in the highly competitive hospitality industry.

• Established 1992 in partnership with the South Australian Government and the world’s oldest and most respected industry body, the Swiss Hotel Association (SHA); ICHM has produced graduates of the highest calibre working at all levels within the international hospitality industry.

• ICHM graduates are working globally as supervisors and specialists right through to senior and general managers. A number also work outside the industry in areas such as marketing, IT, human resources and their own businesses.

• Students graduate with the Bachelor of Business (Hospitality Management); or continue on to also complete the more advanced Bachelor of International Hotel Management (Swiss Hotel Association).

• Students have the opportunity to undertake industry placements every year of study, more than at any other Australian hotel school.

• ICHM’s lecturing staff are equipped with extensive hospitality or management knowledge.

• The purpose built hospitality teaching facilities on the Regency Campus are world class, allowing students to hone their skills and knowledge in a realistic setting.

• Students can live in the on-campus accommodation; each villa style apartment has four single bedrooms, two bathrooms, their own living area and internet access. Three meals a day seven days a week are also provided.

• Under current government regulations, international students who complete more than two years of their degree studies at ICHM can stay and work in Australia for two years after they graduate.

• Located in Adelaide, the capital of South Australia and a hub for hospitality, ICHM students undertake their studies in an ideal learning environment.

• ICHM really is a world leader in the provision of hospitality related management degrees.

“ICHM provided me a strong grounding in hotel operations with a global focus, and also assisted in developing my broader business and commercial skills”. Jason McGowan General Manager Development Middle East, Amalgamated Holdings Limited, Dubai UAE
For more than a century the Swiss Hotel Association (SHA) has set the standards in hotel management education for the rest of the world to follow.

Founded in 1882, the SHA is the official organisation of the hotel industry in Switzerland. In 1893 it opened the world’s first hotel training school – Ecole Hôtelière de Lausanne - recognised as the best European style hotel management school. Today the SHA has more than 3000 members from a variety of hotels, hotel chains and restaurants.

It is only natural that a large number of hotel schools have been established, each placing a slightly different emphasis on various aspects of their courses. Aspiring hotel managers of today are advised to look closely at each course to ensure that their final choice is truly capable of delivering the professional education and training that they seek.

ICHM was the first, and is currently the only SHA school outside of Europe. It is now also the only school approved to offer the SHA Bachelor of International Hotel Management. It is the emphasis on contemporary relevance, close links with industry and academic strengths that sets ICHM apart.

“The Swiss Hotel Association has been working with the International College of Hotel Management for over twenty years. The quality for which Swiss Hotel Association is famous is delivered in Australia by ICHM, and young men and women can enrol in Adelaide and be confident that they will benefit from our reputation. Many students will also benefit from the possibility of studying in Australia and its proximity to the dynamic Asia Pacific Region.

We are extremely proud of this successful partnership.”

ACADEMIC PROGRAM: STUDY PROGRESSION & SUBJECTS

ABOUT YEAR 1

ICHM prepares students for management roles based on the acclaimed Swiss Hotel Association model that stresses the importance of learning all aspects of the hotel industry. In Year 1 students learn hospitality and service standards skills along with business basics. This prepares students for hotel positions at an operational level. After completion of Year 1 academic study, students will undertake an industry placement semester.

Year 1 Subjects

- Applied Business Communications
- The Contemporary Hospitality and Tourism Industry
- Culinary Techniques and Standards
- Delivering Guest Services (Practicum)
- Food and Beverage Service Standards
- Hospitality Business Software Applications
- Introduction to Monitoring Financial Performance
- Rooms Division Service Standards

View subject descriptions for all years of study - ichm.edu.au

All subjects correct at the time of printing and are subject to change.
Second year builds on the operational knowledge and experience gained in first year and introduces more advanced topics covering supervisory level skills.

Students are also introduced to management issues and leadership techniques which they are expected to apply to a range of challenging activities and projects. While first year has a focus on service and standards, students in second year will find themselves more involved in study and learning exercises that develop supervisory and middle management abilities and knowledge, requiring more independent study.

Again upon completion of the second year academic program, students will undertake an industry placement semester.

**Year 2 Subjects**

**Core Subjects:**
- Marketing & Sales for Hospitality Businesses
- Supervising Rooms Division Service Standards
- Human Resource Management
- Property, Safety & Security Management
- Measuring Business Financial Performance

**Elective Subjects**
- Supervising Culinary Operations
- Professional Wine Studies
- Creating the Guest Experience
- Hospitality Operational Planning & Control

**Students to nominate three. Note that not every elective will be offered each semester.**
With two different industry placement experiences and most of the hotel operations and control subjects completed, students in third year turn their attention to management subjects. As well as the core business disciplines, students explore areas beyond the traditional business degree. These additional subject areas broaden their knowledge base, providing greater insight into the issues which impact on business decision making in hotels and related industries.

**Year 3 Subjects**

**Core Subjects:**
- Managing Business Financial Performance
- Managing Productivity Through People
- Managing Food & Beverage Operations
- Managing Rooms Division Operations
- Sustainable Hospitality Environments

**Elective Subjects**
- E-Marketing & Distribution
- Customer Relationship Management
- The Changing Economic Environment
- Managing Business Information
- Supervising Culinary Operations
- Professional Wine Studies
- Creating the Guest Experience
- Hospitality Operational Planning & Control
- International Wine
- Management of Functions & Events

**Students to nominate three. Note that not every elective will be offered each semester.**

At the completion of semester 5 students can graduate with the Bachelor of Business (Hospitality Management); or undertake another industry placement; or go directly on to the Bachelor of International Hotel Management (Swiss Hotel Association).

**View subject descriptions for all years of study – ichm.edu.au**

All subjects correct at the time of printing and are subject to change.
ABOUT YEAR 4 - BACHELOR OF INTERNATIONAL HOTEL MANAGEMENT (SWISS HOTEL ASSOCIATION)

This is the only Swiss Hotel Association endorsed Bachelor Degree, it has been designed to satisfy their exacting professional standards and gives students an added industry advantage.

Students will study additional subjects following their Bachelor of Business, providing them with further internationally relevant and emerging business management knowledge and skills. Along with the compulsory units they will also have the opportunity to choose electives that suit their potential professional career and individual interests.

Core Subjects
- Corporate Social Responsibility and Community Engagement
- International Hospitality Revenue Management
- International Hotel Brand Management
- Managing International Business Strategy
- Managing International Guest Expectations

Elective Subjects**
- International Wine
- International Hotel Research Project
- Research Methods for Managers
- Entrepreneurship
- Gastronomy
- Management of Functions and Events
- Managing Hospitality Technology
- International Human Resource Management
- Customer Relationship Management
- The Changing Economic Environment
- Managing Business Information
- E-marketing & Distribution

At the conclusion of semester 7 students can graduate with the Bachelor of International Hotel Management (SHA). It is also a requirement of the award that students have completed a minimum of 1500 industry hours and proven proficiency in a second language.

**Students to nominate three. Note that not every elective will be offered each semester.
ON CAMPUS SEMESTERS

Curriculum
ICHM’s curriculum is subject to constant review and updates to ensure it continues to meet the highest industry expectations, and higher education academic standards.

To view the subject descriptors for each year of study during the program, visit the ICHM website – ichm.edu.au.

The academic semesters at ICHM are rigorous, with students usually required to attend lectures and tutorials from Monday to Friday. As a result, students are encouraged to manage their time and study habits efficiently; allowing time for other activities such as playing sport and spending time with friends and family.

Lectures & Tutorials
Group sizes vary each year of study; with operational, service and computer based subjects taught in small groups (e.g. 15-20 students). A lecture and tutorial teaching model is used for the delivery of most subjects.

Students should participate fully by contributing to discussions and debate to assist them in forming their own opinions.

Assessment
Many subjects have exams, but these are rarely the only form of assessment. Assessment methods can include practical tests, group work, essays, personal portfolios, presentations, log books, written assessments and case studies. Each subject has three assessments spread across the on campus academic semesters, with student workloads a major consideration in assessment timing.

Campus Administration
From uniforms and timetables to organising graduation ceremonies, ICHM’s administration staff are on hand to assist with all general student enquiries.
INDUSTRY PLACEMENT

The World is your Classroom

Industry placements form an integral and extremely valuable part of the ICHM program. ICHM works with hotels and other hospitality businesses in Australia and around the world, to ensure our students have access to the best training opportunities available.

Industry placements offer:
• The ability to put into practice the skills and knowledge learnt during the academic semesters.
• In-depth on-the-job experience in a variety of different roles.
• Insight into the world of work and the responsibilities it involves.
• Realistic experiences of the hotel industry in a variety of places.
• Experience different company cultures, systems & work practices.
• Valuable work references.
• An insight into a range of career paths.
• Personal growth and independence.
• Networking opportunities.
• Access to internal job vacancies.

Florence Lo
Grand Hyatt Melbourne
“I am so glad to be part of the team of Grand Hyatt Melbourne. Hyatt has opened up my eyes and given me the opportunities I never expected! Thank you ICHM and the remarkable ITD team for the continuous support and assistance extended to me. The experience that I have gained from working in a prestigious hotel is invaluable for my future career development in the hospitality industry.”

Amy Russ
Anantara Phuket Villas, Thailand
“Working abroad has presented multiple prospects and given me the opportunity to grow both personally and professionally. I feel that the support and encouragement from ICHM and their ITD team is vastly responsible for my achievements.”

Tom Hicks
Langham Hotel, Melbourne
“Being placed at one of the most prestigious hotels in Melbourne, has allowed me to prosper through the constant opportunities that have come my way. The ITD team, and their contacts have allowed to feel as though I am coming from one family, my ICHM one, to a new one here in Melbourne and create my own network for the future!”

INDUSTRY TRAINING & DEVELOPMENT (ITD) MANAGERS

Aida Ashworth
Aida has worked within the Human Resource Departments of a number of large hospitality organisations in Australia and the UK.

Deborah Buttignol
Deborah brings extensive hospitality experience to her role as an ITD Manager.
Process
The ITD process begins early in the on-campus academic semester. Students are required to list three destination preferences on their industry placement request form; and prepare their personal resume. ICHM’s ITD Managers research the available positions at suitable hotels and related organisations. If a student meets a property’s requirements, the ITD Managers formally apply on their behalf. From here the selection requirements will vary across hotels; some will require face-to-face or telephone interviews with the hotels having the final decision on employment.

Position
Students are required to undertake one industry placement in Food and Beverage and one in an area other than Food and Beverage. This follows the Swiss Hotel Association’s philosophy that it is important to learn the industry from the ground up and the belief that a good hotel manager has a broad understanding of core hotel operations through multi-skilling. As a result, industry placement positions are entry level, allowing students to learn as much as possible about the “why” and “how” of hotel operations. Students are also expected to observe, understand, question and analyse all aspects of the hotel from their insider vantage point. By applying lateral thinking and course knowledge, students should also identify and prepare strategies for operational improvements.

Some hotels will rotate students through a variety of positions, while others prefer students to remain within one department.

Not all students will be placed in 5-star international hotels. Convention centres, resorts, boutique hotels, wineries and other hospitality business operations may also be selected for this valuable undergraduate experience. ICHM aims to find industry placements for students in positions deemed suitable to fulfill the requirements of the course, and the students demonstrated capabilities at that time.

Location
ICHM works with a large network of hotels and other hospitality related businesses to place its students. ICHM encourages all students to keep their career goals in mind when nominating placement locations. Where an industry placement is a student’s first real job, it is strongly recommended that they stay in Australia or their home country. Most students do at least one or more of their placements within Australia. International placements may be possible subject to a number of factors; the students ability to obtain a visa to work as this is their responsibility; they must be able to financially support themselves during the period; and their ability to communicate in that country’s language. There are limits to the number of students ICHM can place in some properties and locations, so sometimes the student’s first choice cannot be accommodated.

Earnings & Expenses
Placements within Australia are paid; wages for placements in other countries vary considerably and are generally lower. In Australia, based on recent industry placements students can potentially earn A$12,000 - A$18,000 per six month placement. However, students must account for tax, their accommodation and bond, meals, transport and entertainment. So at the end of a placement semester students can conservatively clear A$3,000 - A$5,000.

Some hotels will provide accommodation, particularly in remote locations, however in most cases students will need to arrange their own accommodation. While it is ICHM’s preferred policy to place students in paid positions, from time to time students request to be placed in countries which do not pay “trainee” employees. Students considering specific industry placement offers will have ample opportunity to assess the conditions and expected earnings before applying.

Duration
Each student is required to satisfactorily complete a minimum of 1500 hours of industry placement to graduate. Some students can achieve this in two 20 to 24 week industry placement semesters, while others undertake a third, or fourth placement. Unless undertaking language study, the additional industry placements are popular with students as a gateway to a career.

Assessment
Employers are required to assess students across a variety of performance measures whilst on industry placement. Students often obtain references from their supervisors or managers and must also complete an assessable industry placement report.

This in-depth report requires the student to research and evaluate hotel operations and management based on knowledge and skills developed during the prior on campus semester of study.

Louis Mullins
Le Royal Meridien, Shanghai, China

“Moving to Shanghai was the best decision of my life. It was has opened me up to a whole new way of living and I have learned so much while working with Starwood Hotels & Resorts. My placement here has opened the door to countless future possibilities. Thank you ICHM for enabling me to get this opportunity!”
Second Language Proficiency

Note: Second language proficiency is not a requirement for students to receive the Bachelor of Business (Hospitality Management).

As a global business, the international hospitality industry values language proficiency. Students require proficiency in English and a second language to be awarded the SHA Diploma and SHA Bachelor Degree.

ICHM does not offer language study but is able to assist students in identifying language providers.

International students or students whose first language is other than English, should refer to page 22 for the English (e.g. IELTS) requirement.

Choice of Language

The second language is the student’s own choice. Depending on which region they expect to work in, ICHM graduates find some languages more useful than others.

Students can undertake their language studies prior to commencing at ICHM; or during their studies at ICHM by replacing an industry placement semester with language study or undertaking an internship in a country while learning their language.

Second Language Recognition

Ways that a student might illustrate a second language proficiency include; providing academic statements or other documentary evidence to show that within the 8 years prior to commencing at ICHM the student has attended schooling for 5 years in a language other than English. Or, completing a language as part of the International Baccalaureate (IB) - Language B (SL) with a grade of 5 or 6, or Language B (HL) with a grade of 4 or higher. Or, students may be assessed at an ICHM approved language centre provider such as the Vocational Language Learning Centre (VLLC).

Second language proficiency in reading, writing, listening and speaking is set at a minimum level of B2 in the Common European Framework for Referencing for Languages (CEFRL), level 3 in the International Second Language Proficiency Rating (ISLPR) and 6.0 in the Eurocentre Assessment Criteria or their equivalents. For languages employing scripts other than roman, the minimum standard is reduced for reading and writing only.

Students from non-English speaking countries

Students with a first language other than English may request for this language to be recognised by ICHM by providing suitable evidence of completion of the final two years of high/secondary school in that language.

Testing of Languages

Students not able to provide suitable proof of language fluency will be required to undertake formal testing at their own expense. Testing covers written, spoken, reading and listening skills.

Tests can be conducted in Adelaide at VLLC in Mandarin, Japanese, Indonesian, German, French, Italian, Spanish and Greek.

Language Providers

The Vocational Language Learning Centre® in Adelaide, Melbourne and Sydney provide language tuition in a nurturing, fun, relaxed and results oriented environment, which encourages rapid success.

“On-campus the social life is great - it’s so easy to make friends. The mixture of students from all over Australia and the world is great”.
STUDENT SUPPORT & RECREATION

ICHM Student Life

There is a range of recreation, leisure and sightseeing options for students. Sporting activities, barbecues, shopping trips, cinema, karaoke nights, aquatic centre, food and wine festivals, beaches and parties are also popular. While we understand the importance of your academic studies; we also believe that your social and life experiences are just as important, and that your time at ICHM should be a truly enjoyable and memorable experience.

Student Services

All students at ICHM have access to a range of students services aimed at assisting them during their studies. These services include a comprehensive student induction program as well as ongoing guidance, and help for both study and personal matters.

A Student Representative Council formed by current students contributes to social activities and academic issues.

Doctors are also at times located on the campus. Australian students are covered under Medicare whilst international students are covered under Overseas Student Health Insurance.
ABOUT ADELAIDE

Welcome to Adelaide
ICHM is located in Adelaide, the capital city of South Australia, an attractive city of just over 1.2 million people. Adelaide is renowned as a city of restaurants, quality wine, outdoor eating and a great lifestyle; an ideal place to come and learn the art of hospitality.

Students will find Adelaide safe, friendly, welcoming and easy to find their way around. Small enough to provide an ideal study environment, but when you’re not studying Adelaide offers all the usual options of cinemas, restaurants, nightlife, shopping and sightseeing to keep you entertained.

As the Festival City with its world famous cultural events, Adelaide also serves up some not to be missed entertainment. And if you like water sports or just relaxing on the beach, then Adelaide’s kilometres of white sandy beaches will tempt you!

Adelaide Weather
Adelaide is fortunate to enjoy a Mediterranean style climate with warm-to-hot, dry summers and cool/cold wet winters. June is the wettest month. Average day time temperatures in summer range between 25°C and 35°C, and in winter between 8°C and 15°C. Much of the year is 20°C to 25°C with clear blue skies and low humidity.

Autumn: March - May
Winter: June - August
Spring: September - November
Summer: December - February
ENTRY REQUIREMENTS

Academic
ICHM takes a holistic approach to student selection. In addition to meeting academic requirements, students should also demonstrate the maturity, personality and attitude appropriate for this demanding industry. Please refer to the chart on the next page to identify which entry requirement applies to you. Not all countries are listed; students with other qualifications should send their details for assessment. For students applying during their final year of secondary school, please attach your previous year’s academic transcript and projected results for your final year. ICHM can offer enrolment conditional upon the successful completion of your final year.

Tertiary Preparation Program
Students who do not meet the ICHM direct academic requirements may consider studying a Certificate IV – Tertiary Preparation Program at Eynesbury (see page 29).

Recognition of Prior Learning/Credit Transfers
Students that have studied hospitality and tourism at other hotel schools or colleges, or related business programs can apply for Recognition of Prior Learning (see page 24).

English
International students may be required to prove English proficiency. Students who do not meet ICHM English requirements upon application, may be offered enrolment conditional upon successful completion of an English language course.

Age Entry
It is the preference of ICHM that students be eighteen years of age upon commencement. However, students under eighteen can be accepted with certain conditions. Mature age students may be granted entry without meeting the formal academic requirements if they have substantial relevant experience, or other acceptable qualifications.

Recognition of Prior Learning (RPL) / Credit Transfers

Previous Study Or Industry Experience
Students may apply for recognition of prior study taken at another institution; as well as time they may have spent working in the hospitality industry. Approved credit may reduce a student’s overall cost and study workload.

This policy is most commonly applied to:
- Students who have undertaken some study at other hotel schools looking to transfer, and gain the advantage of a higher level qualification.
- People with business-related diplomas or degrees wanting to enter the hotel industry to change their career direction.
- Industry personnel with experience and some training seeking qualifications with international recognition.

To apply for recognition you must:
- Submit a full application to ICHM indicating that you want to apply for recognition of your prior learning.
- Students will be required to submit certified English translations of all academic/other documents (e.g. curriculum) where necessary.
- A grade of status will be given for those subjects where a student has been successful in applying for Recognition of Prior Learning.
- Where recognition is not granted prior to commencement students will be required to attend classes until exemptions are determined.
- As part of the recognition assessment, where students are unable to provide sufficient documentation and evidence, recognition cannot be granted.
- A process of appeal is available in cases of disputes over decisions or refunds granted under these policies.

Note: ICHM cannot process your Recognition for Prior Learning application unless all the required supporting documentation and evidence is supplied.

Masters Degree Options
ICHM and SHA degree graduates can seek entry into a variety of postgraduate options. Articulation arrangements are established for the universities listed as well as a variety of others. Acceptance into the Masters programs is subject to the universities’ conditions and also recommendation by ICHM education management.

Following are some of the universities that have in writing approved direct entry for ICHM Degree graduates:
- Master in Hospitality Administration, Ecole Hoteliere de Lausanne, Switzerland – 13 months
- Master of Management (Tourism), University of South Australia – 18 months.
- Master of Business (related programs), Griffith University – 12 months
- MBA in Hospitality, Johnson and Wales University, Providence, Rhode Island, USA – 18 months.
- M.Sc. in International Hotel and Tourism Management, Oxford Brookes University – 12 months.
- Master of International Hotel Management, Southern Cross University – 18 months.

OTHER FINANCIAL CONSIDERATIONS

Following are other possible expenses or financial considerations that parents/students should consider when studying at ICHM and living in Australia. Much of this information is a guide only.

Accommodation

Regency International House (RIH) Bond A$500
This is payable on first entry to the on-campus student accommodation complex, Regency International House (RIH). Bond is refundable upon completion of on-campus study provided no expenses were incurred.

Accommodation in Regency International House (RIH)
Accommodation in RIH is available to students during on-campus academic semesters including mid-semester breaks. However, holiday breaks between semesters are not included within the accommodation fees. Students may apply to stay on-campus in the July holiday break at an additional charge, subject to room availability. Students should note that over the December/January holiday break each year, Regency International House is closed for maintenance and is not available to students.

Students arriving earlier than two days prior to the start of semester at the beginning of each on-campus semester may request to be accommodated in Regency International House, additional charges apply and subject to the availability of rooms.

Student Visa
International students will be required to obtain a Student Visa to study in Australia. The visa processing charge (payable to the Australian Government) is approximately A$535. As part of the visa process, students may be required to have a medical check with an Australian Government authorised doctor. The fee for this medical is approximately A$300.

Industry Placement
While students are expected to earn income during their industry placements, they will also incur expenses such as:
• Transport costs to and from their industry placement city.
• Accommodation (only a few hotels provide staff accommodation).
• Meals.
• Taxation.
• Public transport to work.
• Personal expenses.
• Entertainment expenses.
These expenses will vary widely depending on the location around the world. While income should cover daily living expenses, in Australia, students need to budget for the upfront costs that are incurred when organising rental accommodation. These costs include bond and connections for telephone, gas, water and electricity.

Responsible Service of Alcohol (RSA)
Students who go on a food and beverage internship to locations that require an RSA certificate should be prepared to pay the cost. Such locations are generally those located within Australia. Approximate cost A$60-100.

General Living Expenses
While living on-campus, students will require money for general expenses. The amount required will vary, but on average students spend between A$60 and A$120 per week on the following items:
• Additional stationery & photocopying.
• Personal mobile phone cost will vary according to the provider and option selected.
• Transport (bus, taxi or car if you have one).
• Entertainment (cinema, recreation etc).
• Snack food (some students say they can’t study without chocolate!).
• Personal items (toothpaste, shampoo, washing detergent etc).

Student Discount
ICHM students are issued with a student identification card which entitles them to full student discount in South Australia, providing significant discounts on public transport, cinema tickets and more.

Storage
While undertaking industry placements, students may require storage of personal goods in Adelaide until they return to study on-campus. Should students require storage facilities they will need to cover this cost.

Health Cover – International Students
All international students coming to Australia on student visas are required to pay for Overseas Student Health Cover for the full duration of their studies. ICHM can arrange cover for students with the Australian Health Management Group Ltd at the students expense; otherwise it is the students responsibility. While this cover provides financial assistance towards doctors and some hospital services, it does not cover dental, physiotherapy or optical services (eg glasses and contact lenses).

For more information on OSHC visit oshc.com.au

Languages
(For SHA qualifications only)

Study
The student’s choice of language, delivery mode and location will influence cost.

See the Language Requirement pg.15 for more information.
Your Accommodation Options

ICHM

ICHM’s on-campus accommodation, Regency International House can house 180 students. All Year 1 students and new students in Years 2, 3 and 4 will be given priority at RIH. Returning students can then apply to stay again at RIH on a “first come, first serve basis.” Students can stay at RIH during their academic on-campus semesters; and can apply to stay during their industry placement if in Adelaide and subject to availability and approval.

Eynesbury

Eynesbury College can assist students in organising accommodation if studying there prior to attending ICHM. Homestay is recommended for students under 18 years and for those studying English.

For details regarding these accommodation options contact Eynesbury direct: eynesbury@navitas.com

Rental Accommodation

Students can rent an apartment or house on their own or share with other Australian or International students. Minimum lease is usually 6 months, but 12-month leases are more common. Please be aware of the obligations regarding length of stay in the lease or contract. A contract is legally binding once it has been signed and default of the conditions will incur penalties which could include legal action and/or loss of bond and fines. Students also need to be aware that the additional costs of renting include Security Bond (usually between 6–8 weeks rent) and connection fees for electricity, gas and telephone.

How to Apply — Australian Students

Application Process

Step 1. Application for Admission
Complete the ICHM Application form in this prospectus or, Apply On-line via the ICHM website. Please ensure that you submit all the required documents (e.g. academic transcripts) for assessment.

Email to admissions@ichm.edu.au; fax (61 8) 8348 4293 or post/courier to ICHM Admissions Office PO Box 125, Kilkenny SA 5009, Australia.

Note: students in Victoria may apply to ICHM through VTAC, however they should also submit an application form direct to ICHM.

Step 2. Assessment
ICHM aims to assess applications and advise of an outcome within two weeks. Incomplete applications, or RPL/credit transfer applications will take longer.

Step 3. Provisional Acceptance
ICHM will send a Letter of Offer to successful applicants. To accept the offer you must sign and return the Acceptance Letter, this must be done within 21 days from the date of the Letter of Offer from ICHM. (Note: the Accommodation Securing Fee of A$1,000 is payable no later than two months prior to your start date).

Step 4. Payment of Semester Fees
Australian students should be aware that they can access FEE-HELP for part or all of their tuition fees.

The Letter of Offer in Step 3 will advise you of the fees for that year of study and your payment options.

Step 5. New Student Information Pack
About six weeks prior to the start of your first semester, you will be emailed an information pack outlining what you need to bring with you to campus and answers to other questions new students commonly ask. Please ensure that the ICHM Admissions Office has your correct personal email. We are sure you will have many questions at this stage, so we encourage you to contact the Admissions Office for any further help. New students should also advise ICHM when they will arrive at campus and if pick-up is required from the airport, train or bus station.

Step 6. Pack your bags for an experience you will never forget!
Firstly our advice is relax! Don’t worry, most students don’t know anyone else when they first arrive.

So together with your bags, we suggest you also pack your friendly and outgoing personality and prepare to be involved in all of the great orientation activities, designed specially to make you feel welcome and settle in as quickly as possible.

FEE-HELP

ICHM is approved by the Australian Government as a FEE-HELP provider. This means that Australian citizens can borrow from the Government for all or part of their degree tuition studies at ICHM. This applies to the tuition fees only, and does not include accommodation and meals, textbooks, uniforms and other materials.

FEE-HELP can be arranged once the student has arrived on campus.

For more information of FEE-HELP please visit the FEE-HELP section on the ICHM website:
ichm.edu.au/admissions/fees/fee-help

Scholarships

To promote academic excellence and further encourage those students who feel suited to the hospitality industry to apply, ICHM offers a number of scholarships each year. At present there are two types of scholarships on offer for:

- Australian students (including students at Australian International Schools overseas).
- New Zealand students studying in NZ.

The selection process, eligibility requirements and conditions of entry for each of these scholarships may differ and can be viewed by accessing the appropriate scholarship application form either through the ICHM website or by contacting the Admissions Office.
HOW TO APPLY — INTERNATIONAL STUDENTS

Application Process
International students may apply directly to the ICHM Admissions office or via a local approved ICHM agent. For a list of approved agents see the ICHM website.

Step 1. Application for Enrolment
Complete the ICHM Application form in the prospectus or, Apply On-line via the ICHM website. Please ensure that you submit all the required documents (e.g. academic transcripts) for assessment.

Email to admissions@ichm.edu.au; fax (61 8) 8348 4293 or post/courier to ICHM Admissions Office PO Box 125, Kilkenny SA 5009, Australia.

Step 2. Letter of Offer
ICHM will advise you of the outcome of your application within two weeks. Some applications may take longer to process as additional information may be required; and RPL/credit transfers usually take extra time. If your application is successful, ICHM will send a Letter of Offer and invoice to you or your agent, confirming the course you have been offered, fees payable and course commencement date.

To accept the offer you must sign and return the Acceptance Letter and pay the New Student Fee of A$1,500. This must be done 21 days after the date of the Letter of Offer from ICHM.

(Note: the Accommodation Securing Fee of A$1,000 is payable no later than two months prior to your start date).

Step 3. Confirmation of Enrolment
Upon receipt of the New Student Fee, ICHM will formally notify you that you have been accepted. The electronic Confirmation of Enrolment (CoE) form will be sent directly to your representative if they are assisting with your application. You will need the Confirmation of Enrolment to apply for your Student Visa.

Step 4. Payment of Semester Fees
The invoice in Step 2 will advise you of the amount and due date for payment. If you receive the Letter of Offer within 60 days or less of the commencement date, then full fees are payable immediately upon receipt of this letter.

Step 5. Student Visa Application
All international students intending to study at ICHM must apply for a Student Visa. ICHM is an approved Streamlined Visa Processing (SVP) provider. Under the streamlined student visa processing arrangements, eligible student visa processing arrangements, eligible student visa applicants from participating universities and eligible higher education providers are assessed as though they are a lower immigration risk, irrespective of their country of origin.

ICHM will assess each application, and reserves the right to request additional information as required. This means you might need to provide additional documents or information to satisfy the genuine temporary entrant requirement. This information may also be reviewed by ICHM’s external verification agent.

In most cases the process should take just a few weeks; some may take longer if additional information and verification is required.

Step 6. New Student Information Pack
Approximately six weeks prior to course commencement, you will be sent an information pack outlining what you need to bring and answers to frequently asked questions. New students should also advise ICHM when they will arrive at campus and if pickup is required. Please ensure that the ICHM Admissions Office has your correct personal email address.

Step 7. Pack your bags for an experience you will never forget!
Most students don’t know anyone else when they first arrive. We suggest you relax, don’t worry, and be your friendly, outgoing self. ICHM has great orientation activities, designed especially to make you feel welcome and settle in as quickly as possible.

Students that do not meet the direct entry requirements to ICHM, can undertake a Tertiary Preparation Program and/or English study at Eynesbury College, a member of the Navitas group.

English (ELICOS)
The English courses are taught in five week modules, on average students will require 10 weeks of intensive English for each 0.5 IELTS point required.

CERTIFICATE IV (TERTIARY PREPARATION PROGRAM)
This pre-university level program is the equivalent of upper secondary level and is designed to prepare year 11/0 level students for entry into ICHM. It can be completed in two semesters of fourteen weeks each; successful completion for entrance to ICHM is a pass in eight subjects, with at least four subjects graded P1 or higher.

SHORT PROGRAMS

STUDY ABROAD

The ICHM Study Abroad Program is for those students already studying at another institution or university, who are looking for an overseas experience to complement their studies at home.

With the Study Abroad Program, ICHM invites students from all around the world to study with them in Adelaide for six months; and then undertake a paid industry placement in an Australian hotel for six months. (The industry placement is optional). Together with your own institution you can select up to 8 subjects (or as few as 4 subjects) at different levels. You would commence studying in late January or mid July for the first six months, and work (if you choose) for the second six months. Some students will prefer operational style subjects (Food & Beverage Service Standards, Professional Wine, Kitchen Operations) while others will prefer academic subjects (Human Resource Management, Revenue Management, e-Marketing & Distribution etc).

During your academic semester you can also stay in the ICHM on-campus accommodation, allowing you to truly become part of the ICHM community.

For details on fees and other expenses related to Study Abroad see the ICHM website ichm.edu.au

CAREER WEEK 2015

Deciding your future career path and the tertiary study you need to get there, are big decisions. Each ICHM Career Week is specially designed to help those considering hospitality or a related business course.

There are two Career Weeks every year, usually in July and September.

What To Expect

- Learn about the tourism & hospitality industry.
- Discover different career paths.
- Have a fun, hands-on introduction to hotel operations & management subjects.
- Visit local hotel & tourism sites.
- Ask questions of ICHM students.
- Meet the teaching staff.
- Experience the world class ICHM teaching facilities.

Places are limited and they tend to fill up fast, especially in July with a number of students from overseas also applying as it fits in with their school holidays.

“I had the most amazing time. I was a bit afraid I’d be a bit lonely but I met some really cool people. I got a good overview of what happens in the ICHM program. It was really good to see behind the scenes in the hotel visit. It really helped me make up my mind that this was what I really wanted to do. I had been seriously considering law and medicine but decided that hotel management suited my personality more and I love to travel and meet people.”

Juliet Yaakoup - Attended Career Week, now an ICHM Graduate

See the ICHM website for an application form or, contact the Admissions Office.
Australia’s education and training system is subject to ongoing checks and controls by the Government to maintain and improve its high standards. Institutions must be registered with the Australian Federal and State Governments and meet a high standard of quality and ethical practices to enable them to deliver courses. All courses offered of three months or more by ICHM Pty Ltd, trading as International College of Hotel Management are registered with the appropriate State and Federal Australian Governments. Visit the Study Assist website for details studyassist.gov.au.

The SHA Diploma is awarded by the Swiss Hotel Association subject to their requirements. ICHM operates in close collaboration with the South Australian Government, through TAFE SA. ICHM is the provider under the ESOS Act, and lecturing staff, facilities, materials, and on campus accommodation are provided by TAFE SA, Regency Campus.

The European Credit and Accumulation System (ECTS) is a standard for comparing the study attainment and performance of students for higher education across the European Union and other collaborating European countries. Each year of study successfully completed at ICHM attracts ECTS credits, see the ICHM website for details.

ICHM is a founding member of this organisation which represents Australia’s top hotel schools. It works on forging closer links with industry and government on matters of mutual interest, to promote quality and provide educational leadership to serve industry needs.

ICHM is an approved provider under the Australian Qualifications Framework (AQF) as a Bachelor Degree, equal in standing to a Bachelor Degree issued by any Australian University.

While any quality university should accept these degrees as prerequisites into Masters programs, ICHM has articulation arrangements in place for selected universities in Australia, Switzerland, UK and US.

ICHM RULES, POLICIES & PROCEDURES

To view the full list of ICHM’s Rules, Policies & Procedures visit the ICHM website. Following is a brief description of some of the key policies relevant to potential ICHM students.

Assessment of Non-Financial Students
Only those students whose fees are indebtedness to the College have been fully paid will be provided with academic results and invited to graduate.

Attendance
ICHM considers attendance a vital aspect of the learning and teaching process. A minimum attendance requirement of 80% is required for successful completion of each subject which on campus for academic semesters, and when on placements, meeting the host employers expectations regarding attendance/scheduled or rostered work.

Dependents
It is important for all prospective international students to understand that any school age dependents who come to Australia with them will be required to pay full fees if enrolled in a government or non-government school.

ESOS Act
To protect the rights of international students studying in Australia, the Australian Government established the “Education Services for Overseas Students Act” (ESOS Act). Under the Act, we are required to advise international students about the relevant details of the course in which they are enrolling, and of their rights. This prospectus includes all such information. The Rules and Conditions of ICHM are in accordance with the ESOS Act. The ICHM website also includes downloadable documents relevant to the ESOS Act. ICHM is required to comply with the National Code under the ESOS Act; it can be viewed at the following website: aei.gov.au/AEI/ESOS/NationalCodeofPractice2007.

Failure To Pass Subjects
Students who receive a fail grade will be required to re-enrol in that subject. To successfully complete their program students need to pass every subject. Re-enrolment will require the student to pay an additional fee and increase their length of time studying with ICHM. Students may appeal a decision by the Academic Committee regarding grades or other matters, using the Grievance Policy.

Fees
All fees in this Prospectus are quoted in Australian dollars.

Overseas Student Health Cover
It is a requirement that international students are insured with Overseas Student Health Cover (OSHC) while staying in Australia. Note the OSHC does not cover pregnancy or any pre-existing condition prior to entry into Australia. ICHM can arrange cover with the Australian Health Management Group Ltd at the students expense. ICHM reserves the right to pass on any increases in OSHC to students. For more information: oshc.com.au

Privacy Policy
International College of Hotel Management is bound by the National Privacy Principles contained in the Commonwealth Privacy Act. Please refer to website to view ICHM’s Privacy Policy.

Refund Policy
ICHM Initiated Refund
• Where a student is not accepted by ICHM, or is not granted a visa to study in Australia, a full refund of fees paid to ICHM will be made. For the purpose of this section where a student has received a conditional or provisional offer, the student shall be considered to have been accepted.
• Where a course is cancelled, the student will receive a full refund of fees paid to ICHM paid within 14 days from the date of cancellation.

Student Initiated Refund
• Where a student wishes to withdraw prior to course commencement, the New Student Fee/Accommodation Securing Fee will not be refunded, even if the student failed to fulfil the conditions in a conditional or provisional offer.
• Where a student wishes to withdraw from a course or withdraw from Regency International House after Course Commencement Date, they must advise the Principal in writing. The date the letter is received by the Principal is the effective date.

Timming of Payments
• Where a payment to the student is applicable under Student Initiated Refund, ICHM will make the payment due within 4 weeks of receipt of the written request for a refund.

Student Appeals Against a Decision Related to Refund
• Students who wish to dispute a decision related to the Refund Policy should do so in writing to the Principal under the Grievance Policy.

Fee-HELP
• Students entitled to Fee-HELP loans in Year 1–4 are subject to this Refund Policy with regard to their tuition payments. There are specific refund rules described in the Fee-HELP booklet. In short, these students must withdraw from units of study before the advertised Census Date or a) a debt will be incurred or b) no refund will be made.
• Fee-HELP does not apply to non-tuition fees (accommodation, meals, uniforms etc.). Regular Refund Rules govern these payments.

Enrollment Subject to Fees Being Paid when Due
The enrolment of new students is contingent on the New Student Fee, Tuition Fees, Accommodation and Meals Fees being paid by the due dates.

Late Enrolments
In the case of late enrolments within 60 days of the commencement of first semester, the balance of the student fee is due and payable immediately upon receipt of the Letter of Offer.

Review of Student Fees
All ICHM fees will be reviewed and adjusted annually to reflect increased costs associated with ICHM. The fees listed in this prospectus are valid for 2015 only, students will be required to pay any fee increase in subsequent years. Where fees increase between the date of nomination and date of commencement, a student who has nominated at a lower fee will have the option of cancelling his/her nomination with full refund. Such cancellation must be made within one month of notification by the Admissions Office.

Change of Provider
The Australian Government discourages international students from transferring from the course until they have completed at least 6 months of the Principal Course. See National Code Standard 7. At ICHM the principal course is either the BIHM (SHA) or Bachelor of Business, depending on the international student’s application. International students should not assume that they can obtain a release letter from ICHM if they want to transfer to another Australian course, unless they have completed six months of the Principal Course in which they are enrolled.

Visa Conditions - International Students
International students are required to comply with all visa conditions applicable to their situation.
