students who meet the scholarship eligibility criteria and ichm entry requirements can apply for a scholarship. students who have already applied and been accepted by ichm for these intakes may also apply by completing the scholarship application form.

ichm has two intakes in 2018. ichm reserves the right to request winners to commence in the second 2018 intake, unless the applicant has been accepted into the first 2018 intake by scholarship closing date.

it is a condition of these scholarships that recipients commence in either the first or second intakes of 2018. should a recipient wish to defer to a later entry than 2018, they will forfeit the scholarship or bursary amount.

once a scholarship recipient has commenced their studies at ichm, unless they have applied to ichm in writing and been granted a scholarship deferment, any deferral or withdrawal will result in a forfeiture of the remaining scholarship or bursary amount. even if they return to ichm at a later date, they have forfeited their scholarship.

these scholarships can be applied to the ichm tuition fees or, on-campus accommodation fees (subject to availability).

ichm is offering a number of scholarships in australia. applicants for the new zealand scholarship will only be considered for this scholarship if they obtain a ‘shortlist’ score equal to, or better than the tenth best applicant for the australian scholarship.

finalists for interviews should be advised by the first week of november 2017. where possible, interviews will be conducted during late november/early december 2017 and winners advised immediately thereafter.

winners will be selected by a panel considering the assessment criteria above and the “person/s most likely to excel at hotel management”.

the selection panel may decide to increase the number of scholarship winners by reducing the scholarship amount.

payment of the scholarship amount on behalf of the student for the year 2, 3 and 4 of the course will be dependent upon satisfactory academic results and industry placement performance as determined by the ichm academic board.

the awarding of the scholarship payment each year depends on the student paying the balance of the fees as outlined in the prospectus and by the due date in their invoice. students failing to pay the balance of fees by the invoice due date will forfeit their right to their scholarship or bursary amount.

the scholarships are open to new year 1 students only. students currently studying at ichm are ineligible.

scholarship students failing to comply with the ichm rules and regulations in relation to personal and ethical behaviour will forfeit their entitlement to the scholarship.
